Portfolio: https://jethwa76.github.io/portfolio/

➢ Summary

2nd-year B.Tech Computer Engineering student at **Parul University** with hands-on experience in **Java, Python, full-stack web development, and UI/UX projects**. Actively building real-world projects, improving problem-solving skills, and preparing for **Web Development Internship** opportunities.

➢ Education

B.Tech Computer Engineering – Parul University | 2024 – 2028
Relevant Coursework: Programming in C & DSA, Programming in Java & DSA, Programming in Python & Full Stack Development, Operating Systems, Computer Networks, Microprocessors, DBMS, Probability & Numerical Methods

➢ Technical Skills

Programming Languages: Java, Python, C (Basic), HTML, CSS, JavaScript
Frameworks / Tools: Node.js (backend basics), Tailwind CSS, Bootstrap, QR Code JS library, Git & GitHub, VS Code, MySQL, MongoDB, Linux (basic)
Core CS Topics: Operating Systems, Computer Networks, Computer Organization & Microprocessors, Data Structures & Algorithms
Soft Skills: Problem-solving, Teamwork, Time management, Technical communication

➢ Projects

QR Code Scanner & Generator – Web App

- Generates QR codes from text/URLs and scans QR codes in real-time

- Responsive, interactive, error-handling included

- Tech: HTML, CSS, JavaScript

To-Do List App – Task Management Web App

- Dynamic task creation, deletion, and completion toggle

- Mobile-first responsive design

- Tech: HTML, CSS, JavaScript

Basic Calculator – Web App

- Performs arithmetic operations with input validation

- Simple and clean UI

- Tech: HTML, CSS, JavaScript

Food Waste Management System – Web Application

- Connects food donors with NGOs, includes authentication and request workflow

- Responsive frontend, Node.js backend, MongoDB database

- Tech: HTML, CSS, JavaScript, Node.js, MongoDB

➢ **Achievements / Certifications**

Solved competitive coding problems on **LeetCode** and **CodeChef**

Participated in **2 hackathons**

Completed **4 certifications** (add titles and platforms)

➢ **Contact & Availability**

Open to **Web Development Internship** opportunities.
